INDEPENDENT AUDITOR'S REPORT

To the County Commission  
The County of Camden, Missouri

**Report on the Financial Statements**

We have audited the accompanying financial statements of the County of Camden ("County"), Missouri, which comprise cash and unencumbered cash for each fund as of December 31, 2018, and the related statements of cash receipts and disbursements and disbursements-budget and actual for the year then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the regulatory basis of accounting, a financial reporting framework prescribed or permitted by Missouri law as described in Note I of the accompanying financial statements. This includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note I of the financial statements, the financial statements are prepared by the County on the basis of the financial reporting provisions prescribed or permitted by Missouri law, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of Missouri.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note I and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### ***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the County as of December 31, 2018, or changes in net position or cash flows thereof for the year then ended.

### ***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash and unencumbered cash of each fund of the County as of December 31, 2018, and their respective cash receipts and disbursements, and budgetary results for the year then ended in accordance with the financial reporting provisions prescribed or permitted by Missouri law described in Note I.

### ***Other Matters***

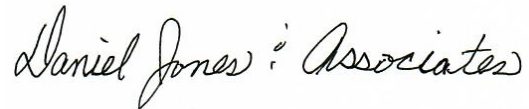

#### ***Other Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the County of Camden’s basic financial statements. The Schedule of Expenditures of Federal Awards, as required by *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The Schedule of Expenditures of Federal Awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated July 1, 2020, on our consideration of the County of Camden's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering County of Camden's internal control over financial reporting and compliance.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The County of Camden, Missouri (“County”), which is governed by a three-member board of commissioners, was established in 1841. In addition to the three board members, there are eleven elected Constitutional Officers: County Clerk, Collector, Treasurer, Circuit Clerk, Recorder of Deeds, Sheriff, Assessor, Coroner, Public Administrator, Auditor, and Prosecuting Attorney.

As discussed further in Note I, these financial statements are presented on the regulatory basis of accounting. This basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP).

A. Reporting Entity

As required by generally accepted accounting principles, as applicable to the regulatory basis of accounting, these financial statements present financial accountability of the County.

The County’s operations include tax assessments and collections, state/county courts, county recorder, police protection, transportation, economic development, social and human services, and cultural and recreation services.

The financial statements referred to above include only the primary government of Camden County, Missouri, which consists of all funds, organizations, institutions, agencies, departments, and offices that comprise the County’s legal entity. The financial statements do not include financial data for the County’s legally separate component unit, which accounting principles generally accepted in the United States of America, as applicable to the regulatory basis of accounting, require to be reported with the financial data of the County. In accordance with accounting principles generally accepted in the United States of America, as applicable to the regulatory basis of accounting, the Camden County Senate Bill 40 has issued separate reporting entity financial statements. For information regarding this component unit, please contact Camden County Senate Bill 40 at (573) 317-9233.

B. Basis of Presentation

The financial statements are presented using accounting practices as prescribed or permitted by Missouri law, which include a Statement of Receipts, Disbursements and Changes in Cash and Investment Balances – All Governmental Funds, Comparative Statements of Receipts, Disbursements and Changes in Cash and Investment Balances– Budget and Actual – All Governmental Funds, and Statements of Assets and Liabilities Arising from Cash Transactions – Agency Funds.

Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. A fund is considered a separate accounting entity with self-balancing accounts. The following fund types are used by the County:

B. Basis of Presentation (concluded)

**Governmental Fund Types**

Governmental funds are those through which most governmental functions are financed. The County's expendable financial resources are accounted for through governmental funds. The measurement focus is upon determination of and changes in financial position rather than upon net income.

**Fiduciary Fund Types**

*Agency* – Agency funds are used to account for assets held by the County in a trustee capacity as an agent of individuals, private organizations, other funds or other governmental units. Agency funds are accounted for and reported similarly to the governmental funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve the measurement of results of operations. These funds account for activities of collections for other taxing units by the Collector of Revenue and other agency operations.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements.

The financial statements are prepared on the regulatory basis of accounting. This basis of accounting recognizes amounts when received or disbursed in cash and differs from accounting principles generally accepted in the United States of America. Those principles require revenues to be recognized when they become available and measurable or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred.

As a result of using this regulatory basis of accounting, certain assets (such as accounts receivable and capital assets), certain revenues (such as revenue for billed or provided services not yet collected), certain liabilities (such as accounts payable, certificates of participation bonds and obligations under capital leases) and certain expenditures (such as expenditures for goods or services received but not yet paid) are not recorded in these financial statements.

D. Budget and Budgetary Accounting

The County follows these procedures in establishing the budgetary data reflected in the financial statements:

1. In accordance with Chapter 50 RSMo, the County adopts a budget for each governmental fund.
2. On or before September 1st, each elected officer and department director will transmit to the County Auditor, who serves as budget officer, the budget request and revenue estimates for their office or department for the budget year.
3. The County Auditor submits to the County Commission a proposed budget for the fiscal year beginning January 1. The proposed budget included estimated revenues and proposed expenditures for all budgeted funds. Budgeted expenditures cannot exceed beginning available monies plus estimated revenues for the year. Budgeting of appropriations is based upon an estimated unencumbered fund balance at the beginning of the year as well as estimated revenues to be received. The budget to actual comparisons in these financial statements, however, do not present encumbered fund balances, but only compare budgeted and actual revenues and expenditures. Section 50.540 RSMo prohibits expenditures in excess of the approved budget.
4. A public hearing is conducted to obtain public comment. Prior to its approval by the County Commission, the budget document is available for public inspection.
5. Prior to January 1, the budget is legally enacted by a vote of the County Commission.
6. Subsequent to its formal approval of the budget, the County Commission has the authority to make necessary adjustments to the budget by formal vote of the Commission. Adjustments made during the year are reflected in the budget information in the financial statements.  
  
Budgeted amounts are as originally adopted, or as amended by the County Commission throughout the year. Individual amendments were not material in relation to the original appropriations which were adopted.
7. Budgets are prepared and adopted on the cash basis of accounting.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Property Taxes

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on October 1 and tax bills are mailed to taxpayers in November, at which time they are payable. All unpaid property taxes become delinquent as of January 1, of the following year.

The assessed valuation of the tangible taxable property, included within the County's boundaries for the calendar year 2018, for purposes of taxation, was:

		2018
Real Estate	\$	1,357,858,240
Personal Property		295,123,020
Railroad and Utilities		29,479,753
	\$	1,682,461,013

During 2018, the County Commission approved a \$0.2659 tax levy per \$100 of assessed valuation of tangible taxable property, for purposes of County taxation, as follows:

		2018
General Revenue Fund	\$	0.1100
Special Road and Bridge Fund		0.1100
Senior Citizen Tax Fund		0.0459
	\$	0.2659

F. Cash Deposits and Investments

Deposits and investments are stated at cost, which approximates market. Cash balances for all the County Treasurer Funds are pooled and invested to the extent possible. Interest earned from such investments is allocated to each of the funds based on the funds' average daily cash balances. Cash equivalents include repurchase agreements and any other instruments with an original maturity of 90 days or less. State law authorizes depositing funds in banks and trust companies or investing funds in bonds or treasury certificates of the United States, other interest bearing obligations guaranteed as to both principal and interest by the United States, bonds of the State of Missouri or other government bonds, or time certificates of deposit, provided, however, that no such investment shall be purchased at a price in excess of par.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

F. Cash Deposits and Investments (concluded)

Funds in the form of cash on deposit or time certificates of deposit are required to be insured by the Federal Deposit Insurance Corporation (FDIC) or collateralized by authorized investments held in the County's name at third-party banking institutions. Details of these cash balances are presented in Note II.

G. Interfund Transactions

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables, if applicable, are eliminated due to reporting the financial statements on the regulatory basis of accounting.

Legally required transfers are reported as "transfers in" by the recipient fund and as "transfers out" by the disbursing fund.

II. DEPOSITS AND INVESTMENTS

The County maintains a cash and temporary investment pool that is only available for use by funds that the County has control over. Deposits with maturities greater than three months are considered investments. Each fund type's portion of this pool is displayed as "Cash and Investments" under each fund's caption.

Deposits - Missouri statutes require that all deposits with financial institutions be collateralized in an amount at least equal to uninsured deposits. At December 31, 2018, the carrying amount of the County's deposits was \$15,545,306.97, and the bank balance was \$57,626,195.59. As of December 31, 2018, 100% of the County's investments were guaranteed by the U.S. Government.

SUMMARY OF CARRYING VALUES

The carrying values of deposits and investments shown above are included in the financial statements at December 31, 2018, as follows:

<u>Statements of Receipts, Disbursements and Changes in Cash and Investment Balances</u>	
Deposits and cash equivalents	\$ 9,504,306.97
Investments	6,041,000.00
Total Governmental Funds	\$ 15,545,306.97
<u>Statement of Assets and Liabilities Arising from Cash Transactions – Agency Funds:</u>	
Deposits	\$ 61,356,295.76
Investments	-
Total Agency Funds	<u>61,356,295.76</u>
Total Deposits and Investments as of December 31, 2018	<u>\$ 76,901,602.73</u>

Custodial Credit Risk – Deposits

For a deposit, custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The County's investment policy does not include custodial credit risk requirements. The County's deposits were exposed to custodial credit risk for the year ended December 31, 2018.

Custodial Credit Risk – Investments

Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the name of the government, and are held by the party that sold the security to the County or its agent but not in the government's name. The County does not have a policy for custodial credit risk relating to investments.

All investments, evidenced by individual securities, are registered in the name of the County or of a type not exposed to custodial credit risk.

Investment Interest Rate Risk

Investment interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The County does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

II. DEPOSITS AND INVESTMENTS (concluded)

Concentration of Investment Credit Risk

Concentration of investment credit risk is required to be disclosed by the County for any single investment that represents 5% or more of total investments (excluding investments issued by or explicitly guaranteed by the U.S. Government, investments in mutual funds, investments in external investment pools and investments in other pooled investments). The County has no policy in place to minimize the risk of loss resulting from over concentration of assets in specific maturity, specific issuer or specific class of securities. The County's deposits were not exposed to concentration of investment credit risk for the year ended December 31, 2018.

VI. COUNTY EMPLOYEES' RETIREMENT FUND (CERF)

The County Employees' Retirement Fund was established by the State of Missouri to provide pension benefits for County officials and employees.

A. Plan Description

CERF was established by an act of the Missouri General Assembly effective August 28, 1994. Laws governing the retirement fund are found in Sections 50.1000-50.1300 of the Missouri Revised Statutes (RSMo). The Board of Directors consists of eleven members, nine of whom are county employee participants. Two members, who have no beneficiary interest in CERF, are appointed by the Governor of Missouri. The Board of Directors has the authority to adopt rules and regulations for administering the system.

CERF is a mandatory cost-sharing multiple employer retirement system for each county in the State of Missouri, except any city not within a county (which excludes the City of St. Louis) and counties of the first classification with a charter form of government. CERF covers county elective or appointive officers or employees whose position requires the actual performance of duties not less than 1,000 hours per year; including employees of circuit courts located in a first class, non-charter county which is not participating in the Local Government Employees Retirement System (LAGERS); and does not cover circuit clerks, deputy circuit clerks, county prosecuting attorneys, and county sheriffs. Until January 1, 2000, employees hired before January 1, 2000, could opt out of the system.

CERF is a defined benefit plan providing retirement and death benefits to its members. All benefits vest after 8 years of creditable service. Employees who retire on or after age 62 are entitled to an allowance for life based on the form of payment selected. The normal form of payment is a single life annuity. Optional joint and survivor annuity and 10-year certain and life annuity payments are also offered to members in order to provide benefits to a named survivor annuitant after their death. Employees who have a minimum of 8 years of creditable service may retire with an early retirement benefit and receive a reduced allowance after attaining age 55. Annual cost-of-living adjustments, not to exceed 1%, are provided for eligible retirees and survivor annuitants, up to a lifetime maximum of 50% of the initial benefit which the member received upon retirement. Benefit provisions are fixed by state statute and may be amended only by action of the Missouri Legislature. Administrative expenses for the operation of CERF are paid out of the funds of the system.

The County Employees' Retirement Fund issues audited financial statements. Copies of these statements may be obtained from the Board of Directors of CERF by writing to CERF, 2121 Schotthill Woods Drive, Jefferson City, Missouri 65101, or by calling 1-573-632-9203.

B. Contributions

Prior to January 1, 2003, participating county employees, except for those who participated in LAGERS, were required to make contributions equal to 2% of gross compensation. Effective January 1, 2003, participating county employees hired on or after February 25, 2002, are required to make contributions of 4% if they are in a LAGERS county and contributions of 6% if they are in a non-LAGERS county. If an employee leaves covered employment before attaining 8 years of creditable service, accumulated employee contributions are refunded to the employee. The contribution rate is set by state statute and may be amended only by action of the Missouri Legislature. During 2018, the County collected and remitted to CERF contributions of \$302,289.55 for the year then ended.

VII. PROSECUTING ATTORNEY RETIREMENT FUND

In accordance with state statute Chapter 56.807 RSMo, the County contributes monthly to the Missouri Office of Prosecution Services for deposit to the credit of the Missouri Prosecuting Attorneys and Circuit Attorney Retirement System Fund. Once remitted, the State of Missouri is responsible for administration of this plan. The County has contributed \$11,628, for the year ended December 31, 2018.

VIII. LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (LAGERS)

Plan Description

The Camden County's defined benefit pension plan provides certain retirement, disability and death benefits to plan members and beneficiaries. Camden County participates in the Missouri Local Government Employees Retirement System (LAGERS). LAGERS is an agent multiple-employer, statewide public employee pension plan established in 1967 and administered in accordance with RSMo. 70.600-70.755. As such, it is LAGERS responsibility to administer the law in accordance with the expressed intent of the General Assembly. The plan is qualified under the Internal Revenue Code Section 401(a) and is tax exempt. The responsibility for the operations and administration of LAGERS is vested in the LAGERS Board of Trustees consisting of seven persons. LAGERS issues a publicly available financial report that includes financial statements and required supplementary information. This report may be obtained by accessing the LAGERS website at [www.molagers.org](http://www.molagers.org).

Benefits Provided

LAGERS provides retirement, death and disability benefits to employees of participating political subdivisions. All benefits vest after 5 years of credited service. Employees who retire on or after age 60 (55 for police and fire) with 5 or more years of service are entitled to an allowance for life based upon the benefit program then in effect for their political subdivision. Employees may retire with an early retirement benefit with a minimum of 5 years of credited service and after attaining age 55 (50 for police and fire) and receive a reduced allowance. The LAGERS Board of Trustees establishes the benefit plans and provisions that are available for adoption. The political subdivision's governing body adopts all benefits of the plan.

Employees Covered By Benefit Terms

At June 30, 2018, the following employees were covered by the benefit terms:

	General	Police
Inactive employees or beneficiaries currently receiving benefits	166	35
Inactive employees entitled to but not yet receiving benefits	80	40
Active employees	202	68
	448	143

Contributions

The employer is required to contribute amounts at least equal to the actuarially determined rate, as established by LAGERS. The actuarially determined rate is the estimated amount necessary to finance the cost of benefits earned by employees during the year, with an additional amount to finance an unfunded accrued liability. Full-time employees of the employer do not contribute to the pension plan. Employer contribution rate is 13.8% (General) and 13.6% (Police) of annual covered payroll.

Net Pension Liability

The employer's net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of February 28, 2018.

Actuarial Assumptions

The total pension liability in the February 28, 2018, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	3.25%	
Salary Increase	3.25% to 6.55% including inflation	
Investment rate of return	7.25%	

The healthy retiree mortality tables, for post-retirement mortality, were the RP-2014 Healthy Annuitant mortality table for males and females. The disabled retiree mortality tables, for post-retirement mortality, were the RP-2014 disabled mortality tables used were the RP-2014 employees mortality table for males and females.

Both the post-retirement and pre-retirement tables were adjusted for mortality improvement back to the observation period base of 2006. The base year for males was then established to be 2017. Mortality rates for a particular calendar year are determined by applying the MP-2015 mortality improvement scale to the above described tables.

VIII. LOCAL GOVERNMENT EMPLOYEES RETIREMENT SYSTEM (LAGERS) (continued)

The long-term expected rate of return on pension plan investments was determined using a model method in which the best-estimate ranges of expected future real rates of return (expected returns, net of investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Equity	43.00%	5.16%
Fixed Income	26.00%	2.86%
Real Assets	21.00%	3.23%
Strategic Assets	10.00%	5.59%

Discount Rate

The discount rate used to measure the total pension liability is 7.25%. The projection of cash flows used to determine the discount rate assumes that employer and employee contributions will be made at the rates agreed upon for employees and the actuarially determined rates for employers. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to pay all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payment to determine the total pension liability.

IX. POST-EMPLOYMENT BENEFITS

The County does provide post-employment benefits including, as mandated, the Consolidated Omnibus Budget Reconciliation Act (COBRA). The requirements established by COBRA are fully funded by employees who elect coverage under the Act, and no direct costs are incurred by the County. Retirees may remain on the health insurance plan until they are Medicare eligible. County employees who retire with fifteen (15) or more years of full-time employment are eligible to continue their health insurance until the age of sixty-five (65). Individuals who elect this option are responsible for paying the full policy premium. At December 31, 2018, there were 9 COBRA participants paying premiums totaling \$40,648.81.

X. CLAIMS, COMMITMENTS AND CONTINGENCIES

A. Litigation

The County is currently involved in pending litigation at December 31, 2018. The litigation does not appear to material in nature, and the County does not anticipate a major contingency liability to arise due to this litigation.

B. Compensated Absences

The County provides employees with up to 20 days of paid vacation per year based upon the number of years of continuous service. Upon termination from county employment, an employee is reimbursed for unused sick leave. Employees with 10 or more years of service, whose employment terminates, will receive payment for one half (1/2) of their accumulated sick time. Upon the death of an eligible employee, one half (1/2) of his or her accumulated sick time will be paid to the surviving spouse or beneficiary designated under the County-paid life insurance program.

C. Federal and State Assisted Programs

The County has received proceeds from several federal and state grants. Periodic audits of these grants are required and certain costs may be questioned as inappropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds, if determined necessary, will be immaterial. No provision has been made in the accompanying financial statements for the potential refund of grant monies.

XI. RISK MANAGEMENT

The County is exposed to various risks of losses related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters, and has established a risk management strategy that attempts to minimize losses and the carrying costs of insurance. There have been no significant reductions in coverage from the prior year and settlements have not exceeded coverage in the past three years.

XII. SELF-INSURANCE PROGRAM

During 2015, the County adopted a self-insurance medical plan to cover substantially all employees of the County. The County generally retains the risks related to its obligations to provide medical benefits to its employees. However, the County's maximum liability for each one-year period related to health benefits is limited by insurance coverage.

The County pays estimated premiums into a separate cash account which is used to pay claims. The estimated premiums paid are based on both exposure and experience factors. Premiums include amounts needed to pay prior and current-year claims.

XIII. SUBSEQUENT EVENTS

There were no subsequent events to report as of the audit report date.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH *GOVERNMENT AUDITING STANDARDS*

INDEPENDENT AUDITOR'S REPORT

To the County Commission  
The County of Camden, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the County of Camden ("County") as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated July 1, 2020.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies. [2018-001, 2018-002, 2018-003]

## **Compliance and Other Matters**

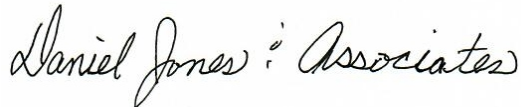

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **The County's Response to Findings**

The County's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND  
REPORT ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE**

**INDEPENDENT AUDITOR'S REPORT**

To The County Commission  
The County of Camden, Missouri

**Report on Compliance for Each Major Federal Program**

We have audited County of Camden's ("County") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended December 31, 2018. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditor's Responsibility***

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

***Opinion on Each Major Federal Program***

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2018.

## **Other Matters**

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2018-004, 2018-005 and 2018-006. Our opinion on each major federal program is not modified with respect to this matter.

The County's responses to the noncompliance findings are identified in our audit as described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

## **Report on Internal Control Over Compliance**

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we did identify certain deficiencies in internal control over compliance, described in the accompanying schedule of findings and questioned costs as items 2018-004, 2018-005 and 2018-006, that we consider to be a significant deficiencies.

The County's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

THE COUNTY OF CAMDEN  
CAMDENTON, MISSOURI  
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
FOR THE YEAR ENDED DECEMBER 31, 2018

---

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the “Schedule”) includes the federal award activity of the County of Camden under programs of the federal government for the year ended December 31, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the County of Camden, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the County of Camden.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the regulatory basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 – INDIRECT COST RATE

The County has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 4 – SUBRECIPIENTS

The County provided no federal awards to subrecipients during the year ended December 31, 2018.

II. FINANCIAL STATEMENT FINDINGS

2018-001 Criteria: Statement on Auditing Standards (SAS) No. 115, *Communicating Internal Control Related Matters Identified in an Audit*, which is effective for periods ending on or after December 15, 2009, as amended by SAS No. 122, *Statements on Auditing Standards: Clarification and Recodification*, considers inadequate documentation of the components of internal control to be at least a significant deficiency.

Condition: Documentation of the County's internal controls has not been prepared.

Context: During walkthroughs, the County informed us that internal control documentation had not been prepared.

Effect: SAS 122 considers inadequate documentation of the components of internal control to be at least a significant deficiency. Without documented internal controls, the County may not be able to ensure that controls are in place, communicated and operating effectively.

Cause: The County did not prepare the required documentation.

Recommendation: We recommend that the County develop the required internal control documentation. In addition, we recommend studying the COSO internal control guidance and tools as a means to begin the process. Once this documentation is complete, those charged with governance have a responsibility to understand the controls and ensure they are operating effectively.

Views of Responsible Officials and Planned Corrective Actions: Auditor (Jimmy Laughlin) is in the process of preparing the needed documentation to document their internal control structure in conformity with COSO framework. Auditor Laughlin anticipates a least portion of this will be completed before the next audit. The Auditor's office can be reached at (573) 317- 3825.

2018-002 Criteria: Antifraud programs and controls are the policies and procedures put in place by an organization to help ensure that management directives are carried out. They are part of the overall system of internal control established to achieve reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations.

Condition: During the walkthroughs of the County, we noted there is no formal fraud risk assessment in place.

Context: During walkthroughs, the County informed us that the necessary risk assessment documentation had not been prepared.

Effect: Lack of an appropriate risk assessment process may result in certain risks not being identified by County's management. Opportunities to commit and conceal a fraud or irregularity may go undetected by management without proper assessment procedures.

Cause: Management has not prepared documentation of risk assessments, including identified risks and mitigating controls.

THE COUNTY OF CAMDEN  
CAMDENTON, MISSOURI  
SCHEDULE OF FINDINGS AND QUESTIONED COSTS  
FOR THE YEAR ENDED DECEMBER 31, 2018

---

II. FINANCIAL STATEMENT FINDINGS (continued)

2018-002 Recommendation: We recommend that the County address various risks in the environment, including risk of fraud occurring by performing assessments to identify, analyze and manage these risks.

Views of Responsible Officials and Planned Corrective Actions: Auditor (Jimmy Laughlin) is in the process of preparing the needed documentation to document their internal control structure in conformity with COSO framework. Auditor Laughlin anticipates a least portion of this will be completed before the next audit. The Auditor's office can be reached at (573) 317- 3825.

2018-003 Criteria: A bank reconciliation is used to compare records to those of the bank, to see if there are any differences between these two sets of records for cash transactions. Fraud detection, bank and accounting errors are the reasons for completing a bank reconciliation. During our audit we noted the County was not completing bank reconciliations for the County's bank accounts.

Condition: During the start of our audit we were informed that the County had not prepared bank reconciliations for over a year.

Effect: By not preparing monthly bank reconciliations, fraud detection, bank and accounting errors could go undetected, causing the financial statements not to be properly reported.

Cause: During the year the County switched to an outside payroll service that was not integrated with the County's general ledger. Incorrect payroll data files were uploaded to the County's general ledger program. The Treasurer did not inform the County officials until the audit was to start that they had not been able to reconcile the bank accounts to the general ledger.

Recommendation: We recommend that the County prepare accurate and timely bank reconciliations for all accounts.

Views of Responsible Officials and Planned Corrective Actions: Auditor (Jimmy Laughlin) will review with the Treasurer on implementing a monthly reconciliation process and monitor monthly information being submitted to the Auditor's office. Auditor Laughlin anticipates this will be completed before the next audit. The Auditor's office can be reached at (573) 317-3825.

                                    Award Year:                2018  
                                    Type of Finding:           Other Information – Significant Deficiency

Information on the federal program: The County must establish and maintain effective internal control over federal awards.

Criteria: Uniform Guidance requires the auditee to document internal controls over each federal program.

Condition: During the walkthroughs of the County, we noted there is no documentation over internal controls with regards to federal awards in place.

Questioned Costs: Not applicable

Context: During the audit of federal programs, we noted there was not adequate internal control documentation of each federal program.

Effect: Not documenting internal controls over federal compliance requirements could result in the noncompliance of a major component of the federal program.

Cause: Adequate emphasis was not placed on the documentation of internal controls required under the *Uniform Guidance*. This is a repeat finding.

Recommendation: We recommend that the County formally document internal controls over federal programs in accordance with the *Uniform Guidance*.

Views of responsible officials and planned corrective actions: Auditor (Jimmy Laughlin) is in the process of preparing the needed documentation to document the internal control structure in conformity with *Uniform Guidance*. Auditor Laughlin has implemented new financial accounting software and new procedures to effectively support and promote Internal Controls including Anti-fraud. Auditor Laughlin has implemented Internal Controls structure in conformity with *Uniform Guidance* May 2020. The Auditor's office can be reached at (573) 317-3825.

                                    Award Year:                2018  
                                    Type of Finding:           Other Information – Significant Deficiency

Information on the federal program: The County is required to submit the single audit reporting package to the Federal Audit Clearinghouse within 30 days after the receipt of the auditor’s report, or nine months after the end of the audit period.

Criteria: The Office of Management and Budget (OMB) requires the County to submit to the Federal Clearinghouse within the earlier of 30 days after receipt of the auditor’s report, or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

Condition: The 2018 single audit was untimely filed to the Federal Audit Clearinghouse.

Questioned Costs: Not applicable

Context: The single audit report was not timely filed with the Federal Audit Clearinghouse.

Effect: The Federal Audit Clearinghouse submission deadline was not met.

Cause: The submission was untimely due to a software issue of an outsourced payroll in performing the audit and inability to reconcile bank statements by Treasurer’s office.

Recommendation: We recommend that the County become familiar with reporting deadlines as it is ultimately responsible for these deadlines.

Views of responsible officials and planned corrective actions: Auditor (Jimmy Laughlin) found problems with the outsourced payroll software purchased by the County did not interface with the County’s current financial software at the time causing financial reporting issues. Auditor Laughlin has since replaced the outsourced payroll software and purchased for the county an integrated financial software package to include payroll in-house also including an integrated reconciliation program in the financial software package in the fall of 2019. This software will allow for following government accounting standards and timely reporting. The Auditor’s office can be reached at (573) 317-3825.

Information on the federal program: The Schedule of Expenditures of Federal Awards contained errors.

Criteria: Uniform Guidance requires the auditee to prepare the Schedule of Expenditures of Federal Awards.

Condition: Through auditing procedures, we were able to correct and support the amounts reported on the Schedule of Expenditures of Federal Awards (SEFA). Prior to these corrections, the Schedule of Expenditures of Federal Awards (SEFA) was prepared with incorrect financial information.

Questioned Costs: Not applicable

Context: During the audit of federal programs, we discovered a number of errors related to the Schedule of Expenditures of Federal Awards (SEFA).

Effect: No control monitoring or control over federal expenditures reporting, as required by Governmental Accounting and Financial Reporting Standards.

Cause: Adequate emphasis was not placed on the preparation of the Schedule of Expenditures of Federal Awards (SEFA).

III. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS (concluded)

2018-006 Recommendation: The County should implement procedures to ensure that the SEFA is prepared in accordance with federal requirements. The County should continue in its efforts to establish an accounting system that will capture grant transactions in a manner sufficient to readily report the necessary information required on the SEFA.

Views of responsible officials and planned corrective actions: Auditor (Jimmy Laughlin) is responsible for preparation of the Schedule of Expenditures of Federal Awards (SEFA). Information to prepare this Schedule is obtained from the elected officials and department heads who receive the federal awards. The County is continuously updating its knowledge and procedures in preparing the SEFA Schedule. In the fall of 2019, the County implemented a new integrated financial software package to track the financial accounting of federal grants to comply with SEFA guidelines. The Auditor's office can be reached at (573) 317-3825.

I. FOLLOW-UP PRIOR YEAR FINANCIAL STATEMENT FINDINGS

2017-001 Criteria: Statement on Auditing Standards (SAS) No. 115, *Communicating Internal Control Related Matters Identified in an Audit*, which is effective for periods ending on or after December 15, 2009, as amended by SAS No. 122, *Statements on Auditing Standards: Clarification and Recodification*, considers inadequate documentation of the components of internal control to be at least a significant deficiency.

Condition: Documentation of the County's internal controls has not been prepared.

Context: During walkthroughs, the County informed us that internal control documentation had not been prepared.

Effect: SAS 122 considers inadequate documentation of the components of internal control to be at least a significant deficiency. Without documented internal controls, the County may not be able to ensure that controls are in place, communicated and operating effectively.

Cause: The County did not prepare the required documentation.

Recommendation: We recommend that the County develop the required internal control documentation. In addition, we recommend studying the COSO internal control guidance and tools as a means to begin the process. Once this documentation is complete, those charged with governance have a responsibility to understand the controls and ensure they are operating effectively.

Views of Responsible Officials and Planned Corrective Actions: Auditor (Jimmy Laughlin) is in the process of preparing the needed documentation to document their internal control structure in conformity with COSO framework. Auditor Laughlin anticipates a least portion of this will be completed before the next audit. The Auditor's office can be reached at (573) 317- 3825.

Status: This finding has been repeated as finding 2018-001.

2017-002 Criteria: Antifraud programs and controls are the policies and procedures put in place by an organization to help ensure that management directives are carried out. They are part of the overall system of internal control established to achieve reliability of financial reporting, effectiveness and efficiency of operations, and compliance with applicable laws and regulations.

Condition: During the walkthroughs of the County, we noted there is no formal fraud risk assessment in place.

Context: During walkthroughs, the County informed us that the necessary risk assessment documentation had not been prepared.

Effect: Lack of an appropriate risk assessment process may result in certain risks not being identified by County's management. Opportunities to commit and conceal a fraud or irregularity may go undetected by management without proper assessment procedures.

Status: This finding has been repeated as finding 2018-002.

2017-003 Criteria: Bank reconciliations must be accurately prepared for the Sheriff's Property Room account.

Condition: We noted that there were no bank reconciliations for the Sheriff's Property Room account prepared.

Effect: Errors may go undetected if proper controls are not in place to review cash transactions.

Cause: Management does not place adequate emphasis upon reviewing cash transactions and preparing accurate reconciliations.

Recommendation: We recommend that the Sheriff's office prepare accurate bank reconciliations for this account.

Views of Responsible Officials and Planned Corrective Actions: Auditor (Jimmy Laughlin) will review with Sheriff Property Room account on implementing a monthly reconciliation process and monitor thru monthly information being submitted to the Auditor's office. Auditor Laughlin anticipates this will be completed before the next audit. The Auditor's office can be reached at (573) 317- 3825.

Status: This finding has been corrected for the year ended December 31, 2018.

2017-004 Criteria: Bank reconciliations must be accurately prepared for the P.A. Bad Check account to ensure a positive cash balance.

Condition: We noted that the P.A. Bad Check bank account was reconciled to a negative balance.

Effect: Negative bank balances can result in unnecessary bank fees.

Information on the federal program: The County must establish and maintain effective internal control over federal awards.

Criteria: Uniform Guidance requires the auditee to document internal controls over each federal program.

Condition: During the walkthroughs of the County, we noted there is documentation over internal controls with regards to federal awards in place.

Questioned Costs: Not applicable

Context: During the audit of federal programs, we noted there was not adequate internal control documentation of each federal program.

Effect: Not documenting internal controls over federal compliance requirements could result in the noncompliance of a major component of the federal program.

Cause: Adequate emphasis was not placed on the documentation of internal controls required under the *Uniform Guidance*.

Recommendation: We recommend that the County formally document internal controls over federal programs in accordance with the *Uniform Guidance*.

Views of responsible officials and planned corrective actions: The new gubernatorial appointed Auditor (Jimmy Laughlin) is in the process of preparing the needed documentation to document their internal control structure in conformity with *Uniform Guidance*. While only having a partial year to work on this, the new Auditor expects to have at least a portion of this done with completion within the next 18 months. The Auditor's office can be reached at (573)317-3825.

Status: This finding is repeated in the current year as 2018-004.
