WHEREAS, during the 2019 legislative session, the General Assembly truly agreed and finally passed Senate Substitute for Senate Bill 391 and Governor Parson signed Senate Bill 391 on May 31, 2019 into law which in part prohibited a county from adopting standards or requirements on agricultural operations and its appurtenances that are “inconsistent with, in addition to, different from, or more stringent than any provision of this chapter (192) or chapters 260, 640, 643, and 644, or any rule or regulation promulgated under such chapters”; and

WHEREAS, a suit was filed by the Cedar County Commission and others (Case No 19AC-CC00373) asking the Cole County Circuit Court to declare said law to be unconstitutional and unenforceable for various reasons; and
