Re: Ballparks National, LLC, Local Tourism Asset Development Grant

Dear Grant Review Team:

I write to support **"Ballparks National- Lake of the Ozarks Expansion"**

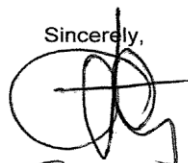

Ballparks National (BPN) is a privately owned youth baseball and fastpitch softball complex located off Hwy 54 in Camden County, between Macks Creek and Camdenton, Missouri; just minutes from Lake of the Ozark, the #1 recreational lake in the US.

This project will include the construction of three fields, pave the road and parking lot, and add a secondary restroom, batting cage, and a walk-in freezer. These additions will expand spring and fall business by adding football, soccer, lacrosse, field hockey and more.

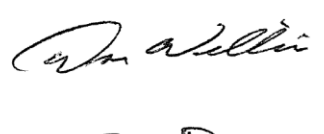

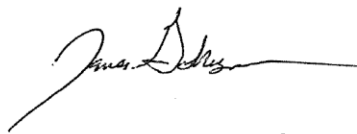

Ballparks National opened in the fall of 2020 and quickly became Missouri's Best Youth Sports Complex, created jobs, and had 66,000 guests to the facility who have then positively impacted the communities' tourism industry.

Thank you in advance for your favorable consideration of this proposal and the opportunity to further develop the tourism industry in the region.

Sincerely,

Presiding Commissioner

2nd District Commissioner
