Nov. 2023 Tax Abatements- Commissioner Williams made a motion to ratify the November 2023 tax abatements tentatively approved previously by an employee of the Commission. Commissioner Gohagan seconded the motion. The motion passed by vote: Commissioner Williams (aye) and Commissioner Gohagan (aye).

Reading of 2023 Prosecuting Atty. Annual Report- Richelle Grosvenor, Camden County Prosecutor, was present to discuss this information. There was a discrepancy between numbers provided for 2022 and the numbers she came up with for 2022 along with issues that were brought to the Commission's attention when she first took office regarding their case management system, so she was unable to confidently provide an accurate comparison. She stated that moving forward, her office will provide a year to year analysis/comparison. The data she provided for 2023 showed that traffic tickets were down, which she suspected was due to less officers on the road than in the past. Domestic cases skyrocketed, amount of years or days incarcerated (jail or prison) has more than doubled since 2022, restitution for 2022 was approximately \$150,000 and at this point in 2023, the restitution is at almost \$200,000. The Commission gave kudos to Richelle and her team and thanked her. There were no motions made on this agenda item.
