### **New Business**

**ROAD AND BRIDGE CULVERT/SPRING COVE ROAD-** Road and Bridge Administrator Lee Shuman stated this is to install a 18-inch driveway culvert at the intersection of Springs Cove Road and Chihuahua Lane. Spring Cove Road is a paved road maintained by the Camden County Road and Bridge Department. The culvert is proposed to be located within the right-of way of the county's road. During rainfall events the drainage causes damage to the county's asphalt road. Numerous complaints have been received about storm water crossing the roadway and potholes form because of inadequate storm water control. The complaint was submitted by a resident during 2017. The pipe to solve the issue was included in the 2018 budget. The Road and Bridge Department recommends that Camden County purchase and install an 18-inch culvert at the intersection of Spring Cove Road and Chihuahua Lane. Commissioner Williams made a motion to approve the purchase of \$712.80 and the installation of the pipe. Commissioner

Thomas seconded the motion. The motion passed by vote: Commissioner Williams (Yes), and Commissioner Thomas (Yes).

Commissioner Hasty seconded the motion. The motion passed by vote: Commissioner Williams (Yes) and Commissioner Hasty (Yes). Session closed at 10:25 A.M.
